Filesize: 4 MB

Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Juliet Mertz)

KINGPIN: HOW ONE HACKER TOOK OVER THE BILLION-DOLLAR CYBERCRIME UNDERGROUND (PAPERBACK)

[DOWNLOAD PDF](#)

Random House USA Inc, United States, 2012. Paperback. Condition: New. Reprint. Language: English. Brand new Book. Former hacker Kevin Poulsen has, over the past decade, built a reputation as one of the top investigative reporters on the cybercrime beat. In *Kingpin*, he pours his unmatched access and expertise into book form for the first time, delivering a gripping cat-and-mouse narrative--and an unprecedented view into the twenty-first century's signature form of organized crime. The word spread through the hacking underground like some unstoppable new virus: Someone--some brilliant, audacious crook--had just staged a hostile takeover of an online criminal network that siphoned billions of dollars from the US economy. The FBI rushed to launch an ambitious undercover operation aimed at tracking down this new kingpin; other agencies around the world deployed dozens of moles and double agents. Together, the cybercops lured numerous unsuspecting hackers into their clutches. . . . Yet at every turn, their main quarry displayed an uncanny ability to sniff out their snitches and see through their plots. The culprit they sought was the most unlikely of criminals: a brilliant programmer with a hippie ethic and a supervillain's double identity. As prominent "white-hat" hacker Max "Vision" Butler, he was a celebrity throughout the programming world, even serving as a consultant to the FBI. But as the black-hat "Iceman," he found in the world of data theft an irresistible opportunity to test his outsized abilities. He infiltrated thousands of computers around the country, sucking down millions of credit card numbers at will. He effortlessly hacked his fellow hackers, stealing their ill-gotten gains from under their noses. Together with a smooth-talking con artist, he ran a massive real-world crime ring. And for years, he did it all with seeming impunity, even as countless rivals ran afoul of police. Yet as he...
